Dear Builders Exchange of Kentucky Member,

The Builders Exchange of Kentucky officially kicked off the fifteenth year of its scholarship program at the recent summer golf outing. Scholarship committee member, Sam Tommie, reported that one hundred and seventy scholarships have been awarded totaling \$273,000 over the past fourteen years. This is great news for all the scholarship recipients and demonstrates the highest level of commitment by Builders Exchange to the scholarship program. The program is open to all students entering their freshman, sophomore, junior, or senior year of college. Eligible students include employees, children, and grandchildren of employees of Builders Exchange member firms. The awards are worth \$2,000 annually for a total of up to \$8,000 as long as the student maintains a 3.25 grade point average.

Please find enclosed a couple of copies of the scholarship application form, a brochure detailing more information about the scholarship program, and a brightly colored "poster" to place in your office or shop to promote the scholarship program. Applications must be postmarked no later than January 20, 2012 to be eligible for consideration. Additional copies of the application and brochure are available at Builders Exchange or can easily be downloaded from the Builders Exchange website at www.bxkentucky.com.

We ask that you make all your employees aware of this valuable program and that you encourage them, their children, and grandchildren to apply.

Best regards,

Mary Ellen Higgins
